DETAILED ACTION

The following is an examiner's statement of reasons for allowance: The closest available prior art for this case is Ohnuma in view of Final Fantasy VIII. Such a combination of references has been overturned by Appeal. As such, no other prior art has been found that teaches of changing a threshold parameter to different conditions based on the amount of damage inflicted by the player to an enemy character.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
